Melbourne Club (Windsor).

The Melbourne Bowling Club (Windsor) intends shortly to convert its upstairs rooms into a smokers' lounge and reading and correspondence room, which will be carpeted and decorated. Wireless will be installed, and chess, draughts, and other amusements provided for members, while sporting papers will also be available. The club's trophy for its pennant victory last season will take the form of a handsome table in the centre of the room, which will be suitably inscribed to celebrate the club's undefeated record. Arrangements at Windsor are now most complete, and members will no doubt greatly appreciate the efforts made to add to their comfort and convenience.
