Bear's Big Day out

Saturday 6th January 2018

As you may be aware Chris O'Meagher, or more affectionately known as Bear, has a battle that he intends to win. The Melbourne Bowling Club and St Kilda Bowling Club are hosting event, Bear's Big Day Out, on Saturday 6th January 2018 to show the bowling community all there to support Bear. **Bear's wish is that we use the event to create awareness for Pancreatic Cancer.**

The day planned will start with breakfast and registration at St Kilda Bowling Club at 8.00am. We plan to have a 4's tournament throughout the day spread over the two clubs. All entries be single entry and teams put together. Every game you will move so you get to play with different people each game. Bear's family will be cooking all day so you won't go hungry. The day will conclude with a smorgasbord dinner at Melbourne Bowling Club. **Theme for the day: Islander mufti, ie Hawaiian shirts.** Throughout the day we will have raffles, prizes, and various forms of entertainment. The cost for the day will be \$30.00. We will send out more details over the next week.

If you, your business/employer or your club can help out with any donations to go towards the raffles and prizes it will be extremely appreciated. You can contact us on the email below.

Please **let us know** if you will be **able to attend** so we have an idea for numbers for the day. Feel free to pass this around and share it with others so we can get the word out.

Contact organisers on: thebearsday@gmail.com to notify that you are coming

Hope to see you there.

MBC Christmas party

Survivor 2017 Reality Show

(a ********* rating)

The "Survivor" Christmas break up party on Saturday 16 December was met with much

acclaim.

Members in the club are still talking about it. Especially those that have been around the club for an indertminable period of time. All the "Tribes" got into the spirit of the four activities. the **Tribe that was made up of the second side out scoring all comers** with the **Premier Division Tribe coming a credible second.**

It was encouraging for the future of the club to see so many of our younger members at this year's function and being a driving force in the activities. There were some memorable scenes such as the Premier Tribe members **Bryce** and **Matt** running away from everyone else in the balloon stomping competition to preserve their balloons all to no avail being out gunned by **Lizzy** and **Karina**. There was a potential relationship breaking situation with **Scot S** and **Karina** trying to stomp on each others balloons. Another highlight was seeing **club secreta Fluffy** crawling around on his knees not appearing to know what he was doing.

As for the no hands bowling slowlum course trying to describe the scenes might get this correspondent into trouble, suffice to say it seems the girls handled it far better.

The final activity of the night was the singing of the club song on the dance floor. It is rumour we got a phone call complaining about the sudden burst of noise (how dare they call it noise). All in all a memorable night for all those that attended. This scribe departed at 12:30am with still a strong contingent relaxing and reflecting on the season to date. There are more photos on facebook and they will also be posted on our website shortly in the gallery section.
