### **Round 17 Pennant**

This week's round up.

The Premier Division side bounced back with a strong win (3 rinks up) against fourth placed Deer Park away on carpet. They also had the top team for the week with **Shane Fordham's** rink winning by 16 shots to collect the glasses. Well done **Shane**, **Angelo Cardamone**, **Alex Skilton** and **Curtis Hanley**. To secure a top two position we need to beat Lilydale at home convincingly to ensure the fast finishing Clayton (3 points behind in 3<sup>rd</sup>) don't displace us.

Although Division 2 lost at home we managed to gain 2 points on second placed Middle Park. A win this week will ensure we finish the season on top. The third side managed the third loss on the trot. The season has been hot and cold with some big wins then unexpected losses. Can the third side finish the season on high with a good win at home?

The fourth side has been the revelation of the season with another big win with three rinks up. Last year we struggled to field a side now with new bowlers being blooded and picking up the skills quickly, we have moved from being worried about relegation at the half way mark to being now in sixth place with an outside chance of making fifth with a win against Brighton at Brighton on the carpet. Can the fourth side make it four wins in a row?

#### Let's finish the season the way we started with all sides up and a President's

shout.

WE now have street art contribution to the Windsor street art scene. On Friday23/2 respected street Mikeyxxi and LuckyLucks ably assisted by Starsky created the scene facing the walkway coming from Windsor railway station. Great work Guys. The back of the tank where this art work has been painted becoming a place for taggers jumping the fence and generally defacing the tank. Now it is hoped that artwork will discourage the taggers and respect the art.
