The sides playing at Windsor will be our first (Premier div) and second (Div 2) sides.

**New members night dinner  
and announcement of sides  
This Thursday 4 October**

The meal will be \$20 sit down table service starting at 7pm after practice.

We ask that all members make the effort to attend this evening to welcome and be introduced to new members and start talking up the sides chances for the coming season.

The board and match committee believe all sides look stronger on paper but paper

does not win matches. Building team spirit by mixing off the field as well as on it can result in significant performance improvements. We owe it to ourselves to start off on the right foot!!!

***A fundraiser to assist Grant Hopwood and his family***

This was a highly successful event with a full house (128) on the night. It was

supported well across the bowls community especially by past members of the club who played with Grant over the years. There were many magnificent and valuable donations for the prizes for the various fund raising activities. The figure from the dinner including all the money that has come in to date is \$19,938.

The Board would like to thank all those members who put in to get the event over the line in under 3 weeks, Also thanks to everyone who donated prizes and of course all those in attendance and dug deep into their pockets as well as the donations from those who could not attend.

*This report starts with an apology to all tipsters. My daughter Julie was recruited in 2015 to make up the numbers but not win the competition as she has done this year with a score of 144. I managed to come second with 142 and Rick Lawler came third with 141. Max Walters won the "near miss" prize with a score of 140.*

*The second half winner was Hannah Jackson (Andrew's daughter) with a score of 72. Had she done as well in the first half she would have been equal winner. The outstanding weekly Jackpot winner was Melanie Pringle winning \$150 in round 21.*

*Bringing up the rear was Byron Coonerty winning the prize for last with a score of 96. It should be mentioned that he scored one point in each of the last three rounds when trying for none and this would have been a remarkable three 8s if tipping normally. I would like to thank those who missed out on prize money this year for their valued participation.*

*Keith Stevens*

## Pick My Project

### Results

Out of 102 project applications in our region 11 projects were successful. The 11 successful projects recorded between 306 and 417 votes.

Our two projects:

1. Artists Lane extension down Bowling Green street received 142 votes
2. Weekly community bowling day all year received 134 votes.

Looking at the results, we came in around about mid field out of the 102 projects in our region. As one member has commented

*"It was so within reach it is unbelievable we missed out...and incredibly frustrating".*

Anyway thanks to all those who made the effort to vote and get others to vote for the club.
